

K-LOVE radio serves me with positive inspirational music 24 hours a day. Our local church congregations and people from our Christian schools consider K-LOVE to a part of their everyday lives. The effect of not having this terrific music would be very devastating. K-LOVE provides a boost to my day and a true reflection of affirming, absolute and unchanging witness to Jesus Christ. Our community needs to have K-LOVE as a stimulus and incentive to do good work and to live our lives in a Christ-like manner.
